

## Consignor's info sheet

JNG Auctions would like all of their consignors to be successful in achieving the highest bids possible for their items. Although we do not guarantee prices or even the sale of an item, we will do everything possible to make sure your items get the recognition they deserve. However, an item is only as good as its description. When describing your items don't get too elaborate, be precise and to the point. Be sure to include:

- Brief description
- New, never used, vintage, antique
  - New items are as follows, unopened original packaging, factory sealed, with no damages.
  - Never used, open box original packing nothing missing
  - Vintage, less than 100 years old minimum of 25 years old
  - Antique, 100 or more years old, dated on item, appraised by certified appraiser with proof, or other Documented proof. Items that cannot be proven as antique will be listed as vintage.

### Thoroughly check all items for the following and describe appropriately.

- Dents, nicks, scratches water stains, water damage.
- Missing items
- Working condition: Unknown, Tested works, etc.
- Mention any known defects

The more you know about an item the better you can describe it. Research your items as much as possible Year of manufacture can be helpful with many items

Also include any and all receipts, manuals, remotes, maintenance and repair logs etc.

Everything is sold as is where is with no warranties expressed or implied and inspection is highly recommended. However, our objective is to make available to the customer any and all known facts about every item in order to make each sale a solid and completed sale with no repercussions.

### Items that we do not list for sale are:

- Firearms, ammunition, explosives or hazardous materials
- War medals
- Outdated computers or monitors. **All PC's and Laptops must run at least Windows Vista, and working condition must be known with no password protections.**
- Office furniture and any pressed wood furniture **at our discretion**
- Gas powered items must be drained of fuel or other storage accommodations must be made
- Greasy equipment must be cleaned. **Any equipment leaking any kind of fluids must be removed from the warehouse area.**
- Outdated and/or obsolete electronics or technology unless it has collectible or nostalgic value
- VCR players, VHS tapes
- Books, magazines and printed matter must have collectible or significant historic or nostalgic value

**Titled / plated vehicles must have clear titles and registrations with no liens.**

**Gold or Silver coins, jewelry, etc. are subject to acid testing for authentication.**

**Diamonds and other precious gems are subject to electronic testing to verify authenticity.**

We reserve the right to make changes to any description that we feel necessary to best describe the item and also to remove any item at any time for any reason.

**All items should be cleaned to the best of your ability** without affecting the value of an item such as patina, finish, etc. We do not except items that have or smell of mold or mildew.

We do not provide bins, boxes, bags, etc. However, if you supply your own and want them returned you must mark them with your name and put in the description bin box etc not included and they must be picked up at the end of the sale.

If you are unsure about an items condition, description, or whether it is sellable or not please feel free to contact us via phone or e-mail.

***All consignors must contact us before bringing in any items*** to verify amount of items, type, and whether or not there is room for all or any of your items in the next or future auctions.

It is the responsibility of the consignor to deliver, unload, and set in place when necessary any and all items brought in for consignment.

***Under the consumer protection act, an item cannot be knowingly, wrongfully described.***
